SANTA MONICA, Calif., Dec. 4 -- National Disclosure Authority (NDA), an independent hazard disclosure company founded by the most experienced disclosure experts in the industry, has announced that the exclusive brokerage of Nourmand & Associates has endorsed NDA as its preferred hazard disclosure company.

NDA represents a "new generation" of disclosure reports, using state-of-the-art technology to achieve the most thorough and precise disclosure reports available in the industry. The company also prides itself on its passionate commitment to environmental responsibility, with the NDA "Green Team" practicing green conservation in its operations, including planting a tree for every paperless report order it receives.

"At National Disclosure Authority, our business is built upon customer satisfaction, and we are dedicated to offering every client our customized, state-of-the-art hazard disclosure reporting. We are pleased to be able to support such a distinguished and high-quality firm," said Sergio Siderman, NDA president and founder.

The Nourmand family has acquired and developed properties in Los Angeles since 1972. By 1976, Stephan Nourmand founded Nourmand & Associates and quickly expanded his residential real estate business from a small office of 5 agents, to the 3 burgeoning offices operating today comprised of over 125 agents.

Nourmand & Associates exceptional growth is made possible by remaining at the forefront of anticipating trends while maintaining exceptional agents and operating with a close knit camaraderie found only in a business where family provides the foundation for support, structure, and success.

According to Michael Nourmand, the Vice President of Nourmand & Associates, "we feel a definite affinity for NDA's focus on green conservation, as well as their dedication to giving our clients a comprehensive report."
