National Disclosure Authority Becomes Preferred Provider for Real Estate Giant, RE/MAX GOLD

SANTA MONICA, Calif., Jan 09, 2008 -- National Disclosure Authority (NDA), an independent hazard disclosure company founded by the most experienced disclosure experts in the industry, announced today that RE/MAX GOLD, the largest RE/MAX company in California with 27 offices, has endorsed NDA as one of its preferred providers.

RE/MAX GOLD was established in 1994 with two offices and forty agents. RE/MAX GOLD has grown to twenty-five offices serving a nine county area with over 1,150 top caliber agents and \$4,000,000,000 in sales last year. RE/MAX GOLD has become the third largest RE/MAX franchise of all RE/MAX franchises worldwide and the largest RE/MAX Company in California. RE/MAX GOLD was also recognized in February 2007 as being the Fastest Growing RE/MAX Franchise for the seventh year in a row. NDA uses state-of-the-art technology to produce a whole new kind of disclosure report: the most thorough and precise that can be achieved. The company also prides itself on its passionate commitment to environmental responsibility. The NDA "Green Team" plants a tree for every paperless report order it receives.

"We are pleased to form partnerships of trust and integrity with organizations as impressive as RE/MAX GOLD and their phenomenal agents," said Sergio Siderman, NDA president and founder. As the preferred disclosure company for thousands of RE/MAX agents, NDA provides unmatched accuracy, as well as real environmental commitment that adds a level of responsible professionalism and security for RE/MAX GOLD agents, whose California clients care about conservation as well as the best service," he added.

"NDA's reputation for superior reporting makes the disclosure company an asset to RE/MAX GOLD's superior client services," said RE/MAX GOLD Director Laurie Lewis. "All home sellers need disclosure reports they can rely on, and we feel confident in recommending National Disclosure Authority to them," she added.

About National Disclosure Authority (NDA)

National Disclosure Authority (NDA), formed by the most highly experienced professionals in the disclosure business, uses state-of-the-art technology to provide the most thorough and precise hazard disclosure reports available in the industry. Based in Santa Monica, Calif., NDA is the only independent disclosure company in the nation completely dedicated to the preservation and improvement of the environment. Among other "green" activities, the company plants a sapling for every paperless report it generates.
