# California's #1 Independent Real Estate Company, First Team Real Estate, Names National Disclosure Authority as Their Preferred Hazard Disclosure Company

Fri Apr 11, 2008 2:18pm EDT

SANTA MONICA, Calif., April 11 /PRNewswire/ -- National Disclosure Authority (NDA), an independent hazard disclosure company founded by the most experienced disclosure experts in the industry, announced today that First Team Real Estate, California's # 1 independent real estate firm in Southern California and 10th largest in the country, has endorsed NDA as their preferred hazard disclosure company.

Founded in 1976, Irvine, CA.-based First Team Real Estate built its phenomenal success on the strength of its extensive regional knowledge, cutting edge market tools and technology and deep understanding of the significance of home ownership and its clients' long-term goals. First Team employs nearly 1,850 agents in 32 offices throughout Southern California.

"We anticipate that our clients will appreciate NDA's high-tech reporting and will be attracted to NDA's commitment to healthy environmental values," said Cameron Merage, First Team Real Estate founder, president and CEO. "NDA's services will support the unparalleled marketing and technology that First Team is known for, and will be a good match for the level of service that we pride ourselves on at First Team," he noted.

NDA introduced a "new generation" of highly accurate disclosure reports to the real estate industry. The company uses state-of-the-art technology to achieve the most thorough and precise reports available today. The company also prides itself on its passionate commitment to environmental responsibility, NDA's "Green Team" practices conservation in all its operations, and plants a baby tree every time a client orders a paperless report.

"We are very pleased that California's leading realtor has endorsed National Disclosure Authority's expert team and advanced technology to serve its discerning clients," said Sergio Siderman, NDA president and founder. "First Team Real Estate offers the highest standards of excellence in its services to California home buyers, who can now order the most accurate and reliable disclosure reports available in the industry," he added.

## About National Disclosure Authority (NDA)

National Disclosure Authority (NDA), formed by the most highly experienced professionals in the disclosure business, uses state-of-the-art technology to provide the most thorough and precise hazard disclosure reports available in the industry. Based in Santa Monica, Calif., NDA is the only independent disclosure company in the nation completely dedicated to the preservation and improvement of the environment. Among other "green" activities, the company plants a sapling for every paperless report it generates.
